Education

2020–2024 **B.Tech Computer Science and Engineering:** National Institute of Technology, Calicut
CGPA: 8.13

2020 **Higher Secondary Education:** DPS - Modern Indian School, Doha, Qatar
Score: 94.8%

Projects

Web **Voting:** Submission for CodeInit hackathon organised by CSEA of NITC. The project is a web-app that was designed for conducting elections in the campus. It tracks the votes of students and displays detailed analysis to the admin. The authentication system was done with OAuth. The front-end was made using HTML, CSS, and JavaScript while the back-end was done with the help of Firebase.

Python **YT-dl:** User can provide a video/channel/playlist link to download all the videos in .mp4 format for personal use. Scrapes the data from the YouTube page and stores the data in the form of a text file categorised based on the users preference.
